

**REMARKS**

This response is being made in response to the Office Action dated September 22, 2005.

By said Action, claims 24-43, 45-46, 48, 92-18, 110, 111 and 113 were allowed. Claims 47 and 112 were rejected under 35 U.S.C. 112 as containing new matter.

The Examiner also required that the acronyms appearing in the Figures be also explained in the Brief Description of the Drawings section, as well as in the examples section of the application.

By this amendment, Applicant has amended the specification in the Brief Description of the Drawings section as suggested by the Examiner.

All the withdrawn claims have been canceled, as have Claims 47 and 112.

In view of the above amendments and remarks it is respectfully submitted that claims 24-43, 45-46, 48, 92-18, 110-111, and 113 are now in condition for allowance. Prompt notice of allowance is respectfully and earnestly solicited.

The undersigned requests that all future communications be sent exclusively to him, and not to the Applicant, as he is the sole practitioner of record. A copy of the previously submitted Power of Attorney is again enclosed for that purpose.

Respectfully submitted,

A handwritten signature in cursive script, reading "Martin D. Moynihan".
